Laity Training Day

FEBRUARY 1 | 2:30-4:30 P.M. | VIRTUAL

Laity Training Day is a FREE virtual training designed for those serving on Staff Parish Relations Committee, Finance, Trustees, Nominations, Church Council, Administrative Council, Leadership Council, Lay Leadership, or Lay Servant Ministries, as well as anyone interested in understanding how these boards and leadership roles support the work of the church.

Participants will hear from our Co-Conference Lay Leaders and Bishop Ruben Saenz Jr., and will have the opportunity to attend breakout sessions focused on specific boards or leadership areas, so you can return to your church informed, confident, and equipped.

Note: If you're watching as a group, only one person needs to register to receive the link. We'll just ask for a list of participants' names and emails so we can celebrate the gathering and follow up with your team.
